

From the Director:

ADs and coaches,

Welcome back to another school year! We are excited for another year of partnership with you and pray that your school year starts well. If you are new to our CfT community, the goal of our monthly newsletter is to give you quick information on what's new in CfT, helpful resources, and new programs and features we are offering to CfT schools.

What's New: Website

The language we use when implementing CfT needs to be purposeful and understandable, so you may notice a few changes around our Game Plans and website:

- **Coach's Purpose:** What is your core desire for your athletes and program? Why do you do what you do?
 - **Department Motto:** It's a catch phrase, a hashtag to build your team, program, unity and excitement.
 - **FLeXs (Formative Learning Experiences):** How does your team live out your mission/vision? How do your Transformative Principles and Essential Practices come to life?
-

LEAD COACH: FALL QUARTER

Brad Vis will be leading our Internal/External Communication cohort this quarter. Brad has a valuable history in school administration and athletics. You can learn more about Brad [here](#). This cohort starts September 1.

WHAT'S NEW: JOB BOARD

We want to help you utilize the Power of the Team in this community with any athletic program job openings you have. We have created a Job Board for member schools only on our website [HERE](#), so we can connect great coaches with great schools. If you know someone in that school's community that would be a great fit, connect the coach and AD and everyone benefits! Submit your job openings to Lindsey Van Schepen (lindsey.vanschepen@cace.org). Jobs will be posted and removed as they are available.
